FROM THE AMERICAN PEOPLE

00:10 - "The Aqaba Water Company has paid great attention to providing sanitation services (remove period here) to cover the city of Aqaba comprehensively."  
00:21 - "... to increase the capacity of the treatment plant (remove period here) with an additional 28,000 cubic meters per day."  
01:40 - "... bird migration route in the world. (should end sentence with a period here, not a comma)."  
01:55 - "This (not "which") made it the most important area for bird..." (don't start a new sentence with "which")
